

Short bio: Dr Jimmy Jones - Consultant Clinical Psychologist / Neuropsychologist

Aneurin Bevan University Health Board

BSc (Hons) Applied Psychology; Doctorate in Clinical Psychology; MSc Systemic Psychotherapy; Postgraduate Diploma in Clinical Neuropsychology

I have practiced as a Clinical Psychologist since 2001 and currently employed as a Consultant Clinical Psychologist within the Aneurin Bevan University Health Board (ABUHB). My remit is the professional lead for older adult mental health and neuropsychology and I provide highly specialised psychological assessment and evidence based psychological therapy to patients with complex presentations. My clinical work is particularly informed by both neuropsychological approaches and systemic psychotherapy. However, I have training and experience in providing a range of psychotherapeutic approaches. I am an Honorary Senior Clinical Tutor within the school of psychology and the school of medicine at Cardiff University. I have been fortunate to collaborate with colleagues on several research and audit projects; these include psychometric assessment following stroke and the assessment of mental capacity.

Short bio : Dr Sanoy Sen

Short bio : Andrew Kwasnicki BChD MFDS MSND RCS (Ed) Cert Sed (Liv) FHEA

Consultant in Special Care Dentistry

Andy qualified from Leeds in 2000, and did his first sedation course and primary care sedations during his VT year. In 2003 Andy was appointed part time Clinical Lecturer in Conscious Sedation at Liverpool University Dental Hospital where his interest and passion for special care dentistry grew.

He was fortunate to gain mediated entry to the specialist list for Special Care Dentistry and was appointed Consultant in SCD in Liverpool in 2012. Previously Andy has worked in both CDS and GDS providing Sedation to all groups of SCD patients in his current and previous job roles. Andy continues to practice sedation and is involved in teaching both undergraduate and postgraduate dentists basic and advanced sedation techniques

Short bio : Suzanne Burke BDS(Hons) MFDS, MDPH, MSCD RCSEd

Consultant in Special Care Dentistry, Liverpool University Dental Hospital

Specialist in Special Care Dentistry, North Wales Community Dental Service

Suzanne qualified from the University of Newcastle-upon-Tyne in 1999, and held posts in general dental practice, the community dental service and SHO posts in North West England and North Wales prior to returning to specialty training in Special Care Dentistry in Liverpool, including an integrated year of Dental Public Health.

Suzanne currently works as a specialist in Special Care Dentistry in North Wales CDS, and consultant in Special Care Dentistry in Liverpool University Dental Hospital. These roles include provision of clinical care for adults and children with additional complexity, including under conscious sedation and general anaesthesia, clinic based and domiciliary care. She also has teaching and training responsibility for undergraduate and postgraduate students
